

**Voluntary commitment for
Experts**
Solar Impulse Foundation

October 26, 2021

The following points are intended to ensure that you (the Expert) understand the nature of your role and what is expected of you. Please read the points below, and if you are in agreement with them, sign at the bottom of the page.

I herewith declare my interest to contribute as an Expert for the World Alliance for Efficient Solutions, therefore commit to the following:

- Performing my volunteering role as an Expert to the best of my abilities.
- Contributing on a voluntary and non-remunerated basis, as well as working according to the volunteer role description.
- Providing a minimum amount of volunteering time (approximately 4 to 6 hours) that corresponds to the completion of one assessment per month.
- Acting in a way that is in line with the aims and objectives of the Solar Impulse Foundation (SIF) and that enhances the work of the organization.
- Following the SIF's policies and procedures and to participate in any training required to perform the voluntary services.
- Providing a minimum of two-weeks' notice should I no longer wish to continue in the role.

Moreover, I confirm that:

- I am aware that each assignment is allocated on a case-by-case basis, dependent on whether my expertise corresponds with the available assignments. In addition, I have the right to decline tasks assigned to me (within 5 days of assignment date).
- I am allowing that the information I provide will be stored and used internally within the World Alliance for Efficient Solutions.
- I am allowing that elements of my profile which represent my competencies (profession, work title) but not those identifying me (picture, name, age, company affiliation, etc.) will be shared with those entities submitting solutions so that they have an understanding about those who assessed their work.

I have read and agree to;

- Comply with the expressions made in the "Roles Conditions for Experts" document. Perform my role in accordance with the "Efficiency Assessment Guidelines for Experts",

- Treat the information provided to me in a confidential manner in accordance with the terms set out in the document entitled “Expert – Roles Conditions”, Section 3.4) and indicate any potential conflicts of interest if possible before accepting such tasks.
- Provide information and opinions which are evidence and/or experience based and reflect the best of my knowledge with the aim to give an accurate, impartial assessment using the most current techniques as practical at the time of the assessment.

I take note and agree with all those points above and sign below as:
